

## Construction Manager Assignments

Date: 29-OCT-09

| Project Description   | Construction Manager |
|---|----------------------|
| Agronomy Greenhouse-Install Cooling System                  | Bart Dobson          |
| Agronomy Hall-Fire Alarm Panel Replacement                  | Bart Dobson          |
| Alumni Center   | Lynn Burnett         |
| Armory-East Side Ventilation Improvements                   | Bart Dobson          |
| Barton Lyon Freeman Hall-Fire Sprinkler System              | Mike Parsons         |
| Beyer Hall-Room 301-Install Air Conditioning                | Bart Dobson          |
| Biorenewables Complex-Biorenewables Research Lab            | Mike Fields          |
| Black Engineering-Roof Replacement 2008                     | Rob Ebel             |
| Central Campus-2008 Street Repairs                          | Mike Parsons         |
| Chemistry Facilities (Hach Hall)                            | Mark Stephenson      |
| Coover Hall-Roof Replacement 2008                           | Mike Parsons         |
| Crop Genomics Info Lab Remodeling 2006                      | Rob Ebel             |
| Dairy/Animal Science Education & Discovery Facility         | Lynn Burnett         |
| Design, Col Of-Foundations Pavilion                         | Lynn Burnett         |
| Durham Center-Chilled Water                                 | Mark Stephenson      |
| East Campus Dining Improvements                             | Mike Parsons         |
| Enrollment Services Center-Exterior Repairs                 | Lynn Burnett         |
| Fire Safety Improvements Fy06                               | Lynn Burnett         |
| Friley Hall-Fire Safety Improvements                        | Bob Catus            |
| Gerdin Business Building Cafe Improvements                  | Mike Parsons         |
| Gilman Hall-Remodel Rooms 2154-2159                         | Rob Ebel             |
| Gilman Hall-Room M0778-Replace Condensate Pumps             | Bart Dobson          |
| Helser Hall-Heat And Smoke Detection System                 | Mark Stephenson      |
| Ibsss-Americorps Cottage Renovation                         | Bob Catus            |
| Ibsss-Natatorium Roof Replacement                           | Bob Catus            |
| Ibsss-Old Main Building-North Porch Repairs                 | Bob Catus            |
| Ibsss-Rice Hall And Palmer Hall Fire Sprinkler System       | Bob Catus            |
| Inst Roads, 2009-Pavement Preservation                      | Mike Parsons         |
| Isd-Giangreco Hall-Completion Of Fire Sprinkler System      | Rob Ebel             |
| Isd-Giangreco Hall-Install Fire Sprinkler System            | Mark Stephenson      |
| Isd-Lied Multicultural Complex-Replace Hvac Equipment       | Rob Ebel             |
| Isd-Long Hall-Remodel For New Science Center                | Rob Ebel             |
| Isd-Replace Boiler #3                                       | Rob Ebel             |
| Jack Trice Stadium Improvements 2006-Phase 2-East Concourse | Bob Catus            |
| Jack Trice Stadium Improvements-2006                        | Bob Catus            |
| Jack Trice Stadium-Electric Utility Improvements            | Bob Catus            |
| Larch/Willow Halls-Student Rooms Heat/Smoke Detection       | Bob Catus            |
| Lebaron Hall-Replace Roof                                   | Lynn Burnett         |
| Marston Hall-Replace Windows                                | Rob Ebel             |
| Meats Laboratory-Refrigeration System Replacement           | Leroy Brown          |
| Memorial Union Renovation                                   | Mike Parsons         |
| Memorial Union-Exterior Electronic Sign                     | Bart Dobson          |
| Memorial Union-Multicultural Center                         | Mike Parsons         |
| Molecular Biology Building-Replace Greenhouse Air Handler   | Bob Catus            |
| New Century Farm  | Leroy Brown          |
| Northeast Research Farm-Borlaug Learning Center             | Mark Huss            |
| Oak-Elm Halls-Curtain Wall Replacement                      | Mark Stephenson      |
| Office And Laboratory Building-Remodel For Psychology       | Rob Ebel             |
| Office And Laboratory Building-Remodel Rooms 16 And 18      | Bart Dobson          |
| Parking Lot 63 Rehabilitation-Phase 1                       | Mike Parsons         |

## Construction Manager Assignments

Date: 29-OCT-09

| Project Description  | Construction Manager |
|--|----------------------|
| Parks Library-Elevators 3 And 4 Modernization                    | Mike Parsons         |
| Physics Hall-Replace Windows                                     | Mike Parsons         |
| Recreation Facilities Expansion And Renovation                   | Rob Ebel             |
| Science Hall-Fire Alarm Replacement                              | Mike Parsons         |
| Science Hall-Remodel Rooms 305 & 307                             | Lynn Burnett         |
| Science Hall-Window Replacement                                  | Mike Parsons         |
| Seed Science-Install Instantaneous Water Heater                  | Bart Dobson          |
| Snedecor Hall Renovation-2006                                    | Rob Ebel             |
| South Campus Gateway 2007  | Lynn Burnett         |
| Sweeney Hall-Replace Roof Section A                              | Bart Dobson          |
| Telecommunications-Inside Plant System Upgrade-Phase 7           | Mike Fields          |
| Telecommunications-Inside Plant Systems Upgrade-Phase 6          | Mike Fields          |
| Thielen Student Health Center Improvements 2008                  | Rob Ebel             |
| Thielen Student Health Center Improvements 2009                  | Rob Ebel             |
| Town Engineering-Replace Heating Pipes And Valves                | Lynn Burnett         |
| Town Engineering-Room 160 Remodel                                | Lynn Burnett         |
| Util-High Voltage System Improvements-Switch 14 & 15 Replacement | Randy Larabee        |
| Util-Power Plant-Install Access Control                          | Rick Reedholm        |
| Util-Vet Med, Col-Replace Transformers                           | Randy Larabee        |
| Various Buildings-Window Replacements                            | Mike Parsons         |
| Vet Med, Col Of-Deferred Maintenance Fy06                        | Leroy Brown          |
| Vet Med, Col Of-Modular Bsl-3 Laboratory                         | Leroy Brown          |
| Vet Med, Col Of-Paddock Fencing For Equine Patients              | Leroy Brown          |
| Vet Med, Col Of-Remodel Rooms 2107 And 2185                      | Leroy Brown          |
| Vet Med, Col Of-Teaching Hospital & Diagnostic Lab Renov         | Leroy Brown          |
| Vet Med-Col Of-Replace South Plaza Roof Membrane                 | Leroy Brown          |
| Vmri Building #1-Partial Remodel                                 | Leroy Brown          |
| Vmri Building #40-Renovate Hvac System                           | Leroy Brown          |
| Vmri-Install Settling Tank                                       | Leroy Brown          |
| Wallace Hall-Heat And Smoke Detection System                     | Bob Catus            |
| Wallace-Wilson Residence Halls-Re-Surface Tennis Courts          | Bart Dobson          |
| Wilson Hall-Heat And Smoke Detection System                      | Bob Catus            |
