Notice of Construction SOUTH 16TH ST. Widening

Vet Med Trail Closure

Starting Date: Weather permitting, **Thursday June 26, 2025.**

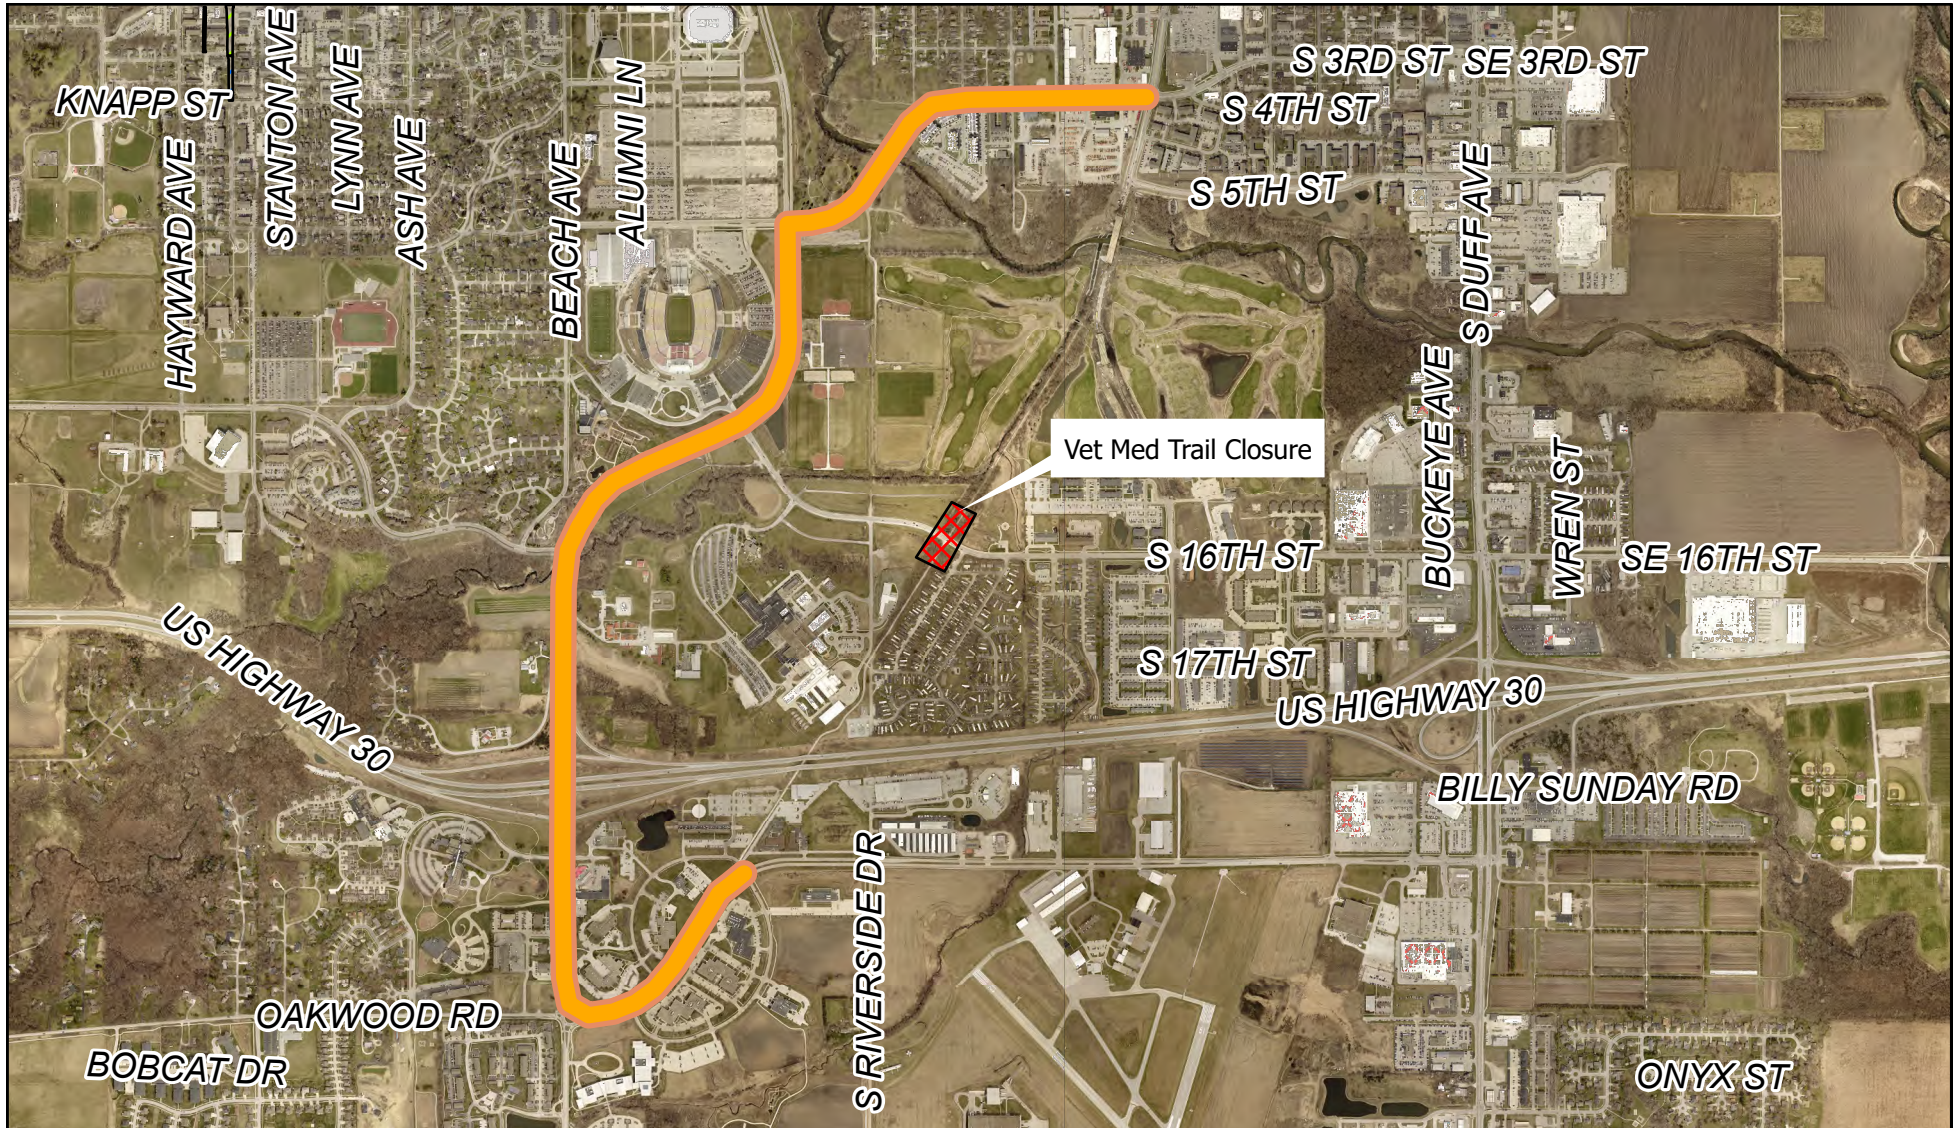

Description of Work Activities: The City of Ames has contracted with Con-Struct to do improvements along S. 16th Street. You may notice utility flags as the underground utilities are located prior to construction commencing.

This project will include widening South 16th Street to four lanes from University Boulevard to the Veterinary Medicine Trail, transforming the roadway into an urban cross section with curb and gutter. **Starting Thursday June 26th, Vet Med Trail will be closed as part of phase I of the project.** Please follow the posted trail detour route. Additional closures are anticipated as the project progresses.

Anticipated Duration: The trail closure is expected to last approximately **30 days.**

Action Required: The map on the back of this sheet shows the approximate extents of the construction zone. All are encouraged to take note of this construction activity in the area and allow extra travel time as *delays may occur*. As always, caution should be exercised when traveling through the construction area.
