

Parking Information for Visitors to Facilities Planning and Management General Services Building and Power Plant

Visitors to campus or to Facilities Planning and Management are not exempt from parking regulations.

To obtain a parking permit, visit the ISU Parking Services website and request one online. It will be emailed to you to print and put on the dash of your vehicle before arriving on campus: <http://www.parking.iastate.edu/>.

During normal business hours, it is recommended that visitors to Facilities Planning and Management park in one of the following areas. See the parking map on the next page for close-by parking lot locations.

Visitor Permits Are Valid Only in General Staff and Student Lots (indicated in yellow on the attached map). Those closest to General Services include:

- Lot 41 and 41A – North of General Services Building (700 Wallace Road) with entry off Osborn Drive
- Lot 68 – Northwest of General Services Building
- Lot 50A and 50B – Southwest of General Services Building
- Lot 57 – Southeast of General Services Building

Pay-By-The-Hour Lots (indicated in green on the map)

There are two main lots in close proximity to the General Services Building with pay-by-the-hour machines:

- Lot 100 – Southeast of the General Services Building near the Lied Rec Center (518 Beach Road)
- East Campus Parking Deck – Union Drive south of the General Services Building near Forker Building (534 Wallace Road), or across from East and Heady Halls (500 Wallace Road)

Parking Meters (indicated in small green areas on the map)

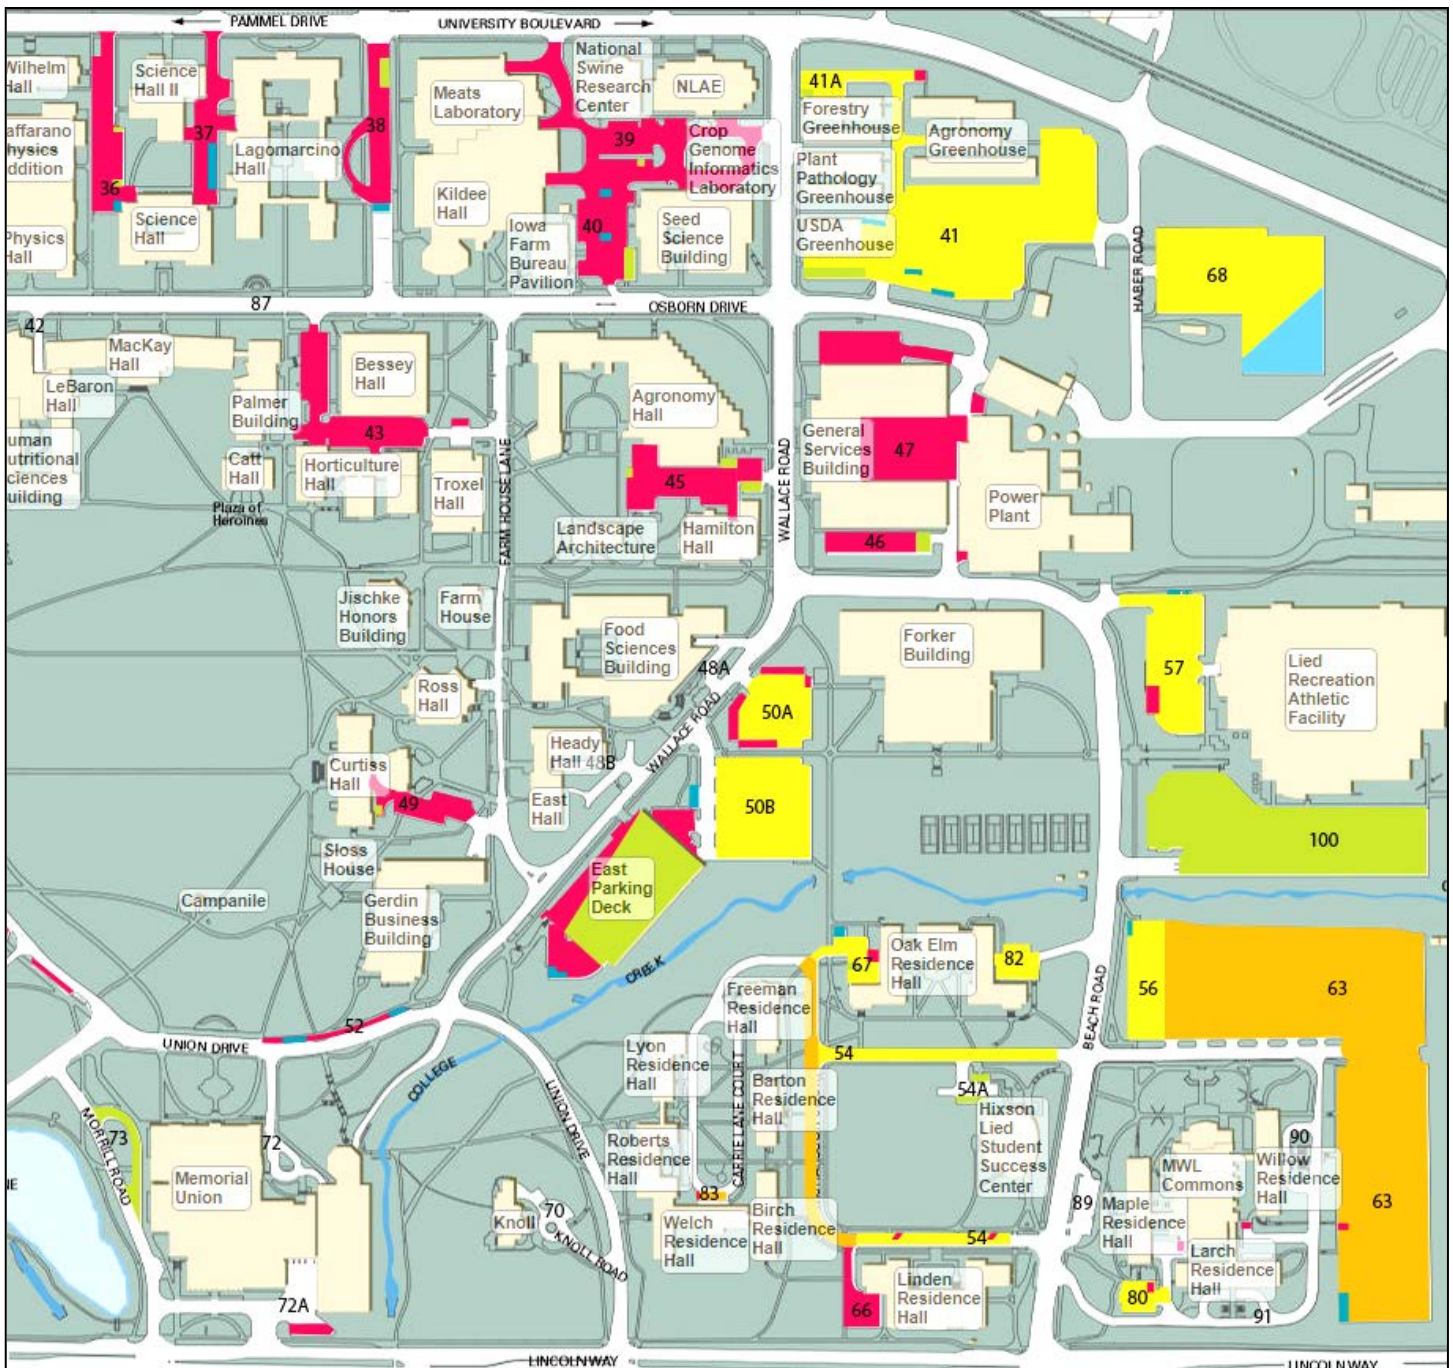

Meters are located in the following lots in close proximity to the General Services Building:

- Lot 40 – West of Seed Science Building (2115 Osborn Drive), with entry off Osborn (2 meters, 2-hour limit and 5 meters, 30-minute limit)
- Lot 41 – North of General Services Building, with entry off Osborn Drive (10 meters, 2-hour limit)
- Lot 41A – North of greenhouses, with entry from Lot 41 (1 meter, 30-minute limit)
- Lot 45 – West of General Services Building, adjacent to Hamilton Hall (613 Wallace Road) (10 meters, 30-minute limit)
- Lot 46 – South of General Services Building, with entry off Osborn Drive (2 meters, 30-minute limit)

Memorial Union Parking Ramp (see the lower left-hand side of the map). Pay parking is available at the Memorial Union Parking Ramp (2229 Lincoln Way), which is approximately a 5-minute walk from the General Services Building. Entrances are from the south off Lincoln Way, and from the north off Union Drive.

Iowa State Center Parking Lots. Visitors to Facilities Planning and Management can also park at the designated (A3, A4, B4, B5, and B6) parking lots south of Lincoln Way at the Iowa State Center for free, and take Cy-Ride's Orange Route to campus. There is an orange route bus stop on Wallace Road, immediately in front of the General Services Building. Cars cannot remain in the Iowa State Center lots past 10:00 p.m.

For parking at other locations on campus, see the ISU Campus Parking Map. These maps are available online at: <http://www.fpm.iastate.edu/maps/>, in the Facilities Planning and Management reception areas, or at the Parking Division office located in the Armory Building (2519 Osborn Drive, Room 27).
