<b>32 17 00 PAVING SPECIALTIES</b> .....	<b>2</b>
A. <b>DETECTABLE</b> WARNING <b>PLATES</b> .....	2

*Unless stated otherwise, the standards in this Facilities Design Manual (FDM) are directed to the Design Professional to incorporate into the Project.*

*Although the Owner encourages improved concept, method and product recommendations by the Design Professional, deviation from these standards, including product requests for “approved equivalent” status, requires written justification from the Design Professional and written approval from the Owner’s Representative before completion of Design Development Documents.*

## 32 00 00 EXTERIOR IMPROVEMENTS

### A. GENERAL

1. For general design and climate information, see paragraphs under subsections 03.13 and 03.14 in FDM Part 1/[Sec 03 Space And Site Design.pdf](#).
2. For project design information, refer to the Building Program and discuss with the Owner's Representative.
3. For standard details, see FDM Part 2/Support for Div 32/[Exterior Improvement Details](#).
