

Parking for the General Services Building Facilities Planning and Management

Visitors to campus or the General Services Building are not exempt from parking regulations. Please observe all parking rules and regulations when you are on the Iowa State University campus. Any vehicle violating Iowa State University rules will be ticketed and may be towed without prior notice. Please read the signs in the lots carefully for parking restrictions and time limits.

During normal business hours it is recommended that visitors to the General Services Building park in one of the following areas. See the parking map on the reverse side for parking lot locations:

Pay-By-The-Hour Lots

There are two main lots on campus in close proximity to the General Services Building with pay-by-the-hour machines:

- Lot 100 – South and east of the General Services Building near the Lied Rec Center.
- East Campus Parking Deck – Wallace Road south of the General Services Building near Forker Building, or across from East and Heady Halls.

Parking Meters

There are also meters in several of the lots on campus. Please read the signs and time limits on the meters carefully. Meters are located in the following lots in close proximity to the General Services Building:

- Lot 40 - West of Seed Science Building with entry off Osborn Drive.
2 meters, 2 hour limit
5 meters, 30 minute limit
- Lot 41 - North of General Services Building with entry off Osborn Drive.
10 meters, 2 hour limit
- Lot 41A - North of greenhouses with entry from Lot 41
1 meter, 30 minute limit
- Lot 45 - West of General Services Building adjacent to Hamilton Hall.
10 meters, 30 minute limit
- Lot 46 - South of General Services Building with entry off Osborn Drive.
2 meters, 30 minute limit.

Memorial Union Parking Ramp

Pay parking is also available at the Memorial Union Parking Ramp – approximately a five minute walk from the General Services Building. Entrances are from the south off of Lincoln Way and from the North off of Union Drive.

Iowa State Center Parking Lots

Visitors to the General Services Building can also park at the designated (A3, A4, B4, B5, B6) parking lots at the Iowa State Center for free and take Cy-Ride's Orange Route in to campus. There is an orange route bus stop on Wallace Road immediately in front of the General Services Building. Cars cannot remain in the Iowa State Center lots past 10:00 p.m.

For parking at other locations on campus, see the ISU Campus Parking Map. These maps are available online at: <http://www.fpm.iastate.edu/maps/>, in the General Services Building reception areas, or at the Parking Division office located in Room 27 of the Armory Building.

During evenings, weekends and holidays, other lots are open for use by the general public; however, the medical/handicapped stalls, 24 hour all hours all days reserved stalls, and other specifically restricted stalls are enforced. Please read the signs in the lots carefully for parking restrictions and time limits.

General Services Building Parking Map

Visitor parking is available in green shaded areas.
